

End-to-End Services with Advantum Health

Combining Revenue Cycle Services with Healthcare Consulting

Treating patients today is very different than treating patients in the past. The changing regulations, new payment models, increase in administrative tasks, and the many platforms and technologies in use make it extremely difficult to focus on what matters the most - your patients.

This is why we make it our mission to help relieve you of these burdens. Advantum Health provides a one-stop shop for physicians and healthcare organizations to manage the complete revenue cycle operations while also offering healthcare consulting services to optimize the performance of your practice. Our team is trained to find any opportunities for improvement and implement best practices for both financial and operational success.

Advantum Health Helps Practices Maximize Revenue

Benefits of Advantum Health RCM & Consulting Services

- ▶ **24/7 Partnership:** Advantum Health is the only company that offers true “white glove” service and works on your revenue cycle 24 hours a day, 7 days a week.
- ▶ **Maximize Reimbursements:** Advantum Health helps ensure you get paid faster and more fully with our proactive reviews and retroactive audits.
- ▶ **Alleviate the “Busy-Work”:** Our team keeps you compliant with the changing regulations while performing the administrative tasks that improve your revenue cycle.
- ▶ **Unmatched Experts:** Our team has health IT & revenue cycle expertise including 50 certified coders and billing experts across more than 40 specialties.
- ▶ **Quality Payment Services:** Advantum optimizes your EHR to improve quality control while maximizing reimbursements for MIPS, APMs, and other programs.

Advantum Health Allows You to Focus on Your Patients

Are you and your staff frustrated with the headaches of credentialing, keeping up with the various payer rules, receiving denied claims, and playing the never-ending game of chasing bills and payments? This is what we do - every day.

We understand that while these activities are necessary to help your practice thrive, they can take away from the time you spend treating your patients. This is why many of our clients have turned to Advantum Health to provide end-to-end RCM services. Our team can work within your current practice management system or EHR or we can provide this technology for you.

Our goal is to ensure your practice is successful today and tomorrow as the industry continues to evolve. Advantum Health acts as your one trusted partner responsible for the financial and operational success of your business while leaving the clinical success to the experts - our clients.
