Advantum Prior Authorization &
Eligibility Verification

Your fast track to answers and authorizations

Outcomes You Can Count On

✓ **Eliminate delays**

✓ **Avoid denials for services rendered**

✓ **Avoid partial reimbursements**

✓ **Save resources on administration**

✓ **Deliver a better patient experience**

Comprehensive Pre-Auth & Verification Services

✓ **Process optimization**

✓ **Coverage, eligibility, and benefits verification**

✓ **Preparation and submission of all required paperwork**

✓ **Expert completion of appropriate criteria sheets and forms**

✓ **Follow up on pre-auth requests Patient account updates**

Advantum health is your fast track to the information and approvals you need. We take the prior-authorization and eligibility verification process off your plate so your team can focus on patient care.

We're process optimization experts. We streamline collection and verification of health insurance status and patient eligibility as well as the submission of all necessary information to receive prior authorization approval for providers. Supported by our robust Advantum Ai technology—we efficiently and effectively facilitate the process saving you time and money.

94%

According to a 2020 survey released by the American Medical Association, 94% of physicians report care delays due to an insurance company's prior authorization requirements.

ADVANTUM HEALTH

Powered by

ADVANTUM Ai

Leveraging our proprietary Advantum Ai™ technology, we're able to facilitate the pre-auth and verification process with greater ease, efficiency and effectiveness to deliver seamless results. And with Advantum Ai's easy-to-use dashboard, you get real-time visibility into the status of your orders along with informative analytics

Intuitive Dashboards and Real-time Analytics
