

Turbocharging Technology For Revenue Cycle Management

The Advantum Ai™ Technological Advantage

Turbocharge your revenue cycle with Advantum powered by Advantum Ai™. Our innovative and proprietary software platform translates Advantum's deep expertise into a technological advantage for our clients. While originally created as an internal resource for our services team, Advantum Ai has grown into an indispensable RCM tool for our clients.

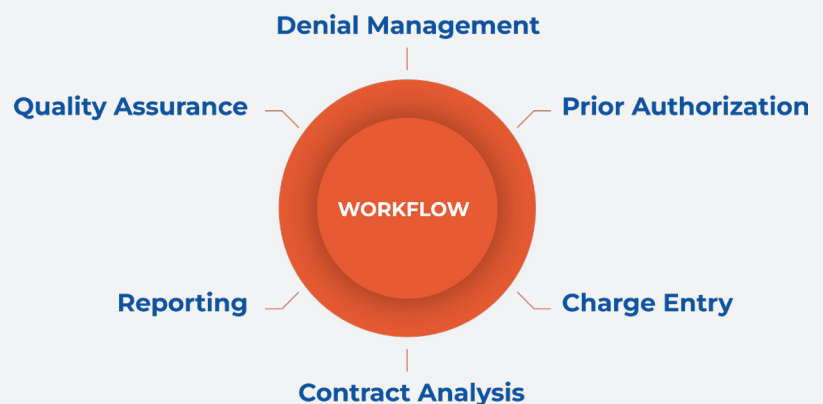

Today, Advantum Ai is an integrated and revolutionary suite of applications that streamline workflows, improve accuracy and efficiency, deliver actionable insights and provide transparent, real-time updates to our clients. With Advantum Ai you get full visibility into the health of your revenue cycle.

Outcomes You Can Count On

- ✓ Improved payment velocity and turnaround time
- ✓ Boosted KPIs and risk scores
- ✓ Reduced denials
- ✓ Better net collections
- ✓ Reduced AR
- ✓ Faster appeals
- ✓ Better processes to win in the market

Advantum Ai Applications

Get the services and functionality you need without having to pay for those you don't. The Advantum Ai platform is both modular and customizable. We're continually innovating, adding new features and solution sets to the platform as our tech team develops them.

Meet Advantum Ai:

- ▶ Operational
- ▶ Analytical
- ▶ Management
- ▶ Tactical

Features Overview

Advantum Ai automates repetitive, high-volume, rule-based processes to enable your staff to focus on higher-value tasks.

- ✔ **Single ecosystem with 24/7 secure portal access**
- ✔ **Technology agnostic—works with your existing EHR or PM solution**
- ✔ **Intuitive dashboards for status tracking and monitoring**
- ✔ **Modular and customizable workflow tools**
- ✔ **Administrator defined user roles and security access**
- ✔ **Bulk data import and export capabilities**

Advanced Features that Set Advantum Ai Apart

Advantum Ai is a powerful tool that leverages predictive analytics and machine learning to amplify the quality of our services—getting smarter over time. The more data that's input, the more accurately and quickly Advantum Ai is able to determine the likelihood of a claims payment or denial. Additionally, Advantum Ai enables providers to not only benchmark their progress internally, but across the industry.

- ▶ **Smart workflows**
- ▶ **AI machine learning**
- ▶ **Advanced predictive analytics**
- ▶ **Industry and internal benchmarking**
- ▶ **Real-time status visibility and analytics**

Integrations & Deployment

Advantum Ai functions as an integrated overlay that works with your existing practice management solution as a single ecosystem. It delivers two way communication ensuring that your system of record stays current and accurate. Best of all, Advantum Ai's holistic service enhancement leverages your data as the source of truth, requiring minimal direct intervention by your team. In fact, we are finding that Advantum Ai is so efficient and intuitive for new users that only minimal training is required.

Advantum Health is the industry-leading practice revenue management authority.

We deliver full-scale solutions for RCM, serving as a one-stop shop for physicians, hospitals, and health systems. We partner with providers nationwide to deliver trustworthy, comprehensive RCM services that promote profitability and healthy growth. Advantum offers a clear financial advantage and scalability you can count on.
